## 2018 Black History Celebration

Carter G. Woodson founded Negro History Week in the month of February in 1926. It has now blossomed to Black History month, sparked a movement for other ethnic groups to have observance months, and increased discussion within our school system about African American contributions to our nation. On 22 Feb 18 at Andress High School in El Paso, El Paso Holy Royal Arch participated in the Annual Black History celebration. Great leaders of the past and present were discussed along with

ideas of how to support the community of El Paso. Speeches, along with various forms of art were on display as well.
